

Welcome to the 61st Annual

SCIENCE AND ENGINEERING FAIR OF METRO DETROIT 2018

Anyone in grades 6-12 (private, public, home schools) in the Lenawee, Livingston, Macomb, Monroe, Oakland, Washtenaw and Wayne counties can enter a project in the SEFMD. Schools must affiliate with SEFMD before a student may enter online. Small fees (school affiliation is \$50; student processing fee is \$5)

The time to start the process is now! Registration is done online at www.sefmd.org. SRC Pre-approval requires manual forms, available on the website. Please let us know if you would like additional Science Fair postcards to distribute to others or if you need a complete school information packet which includes full size posters, newsletters, facts, and essential information.

Sincerely,
