

SEFMD/MSEF/ISEF Special COVID Rider 2024

CONGRATULATIONS! As a SEFMD or MSEF ISEF Finalist, you have the opportunity to attend the International Science and Engineering Fair in Los Angeles, CA. However, out of an abundance of caution, there are some decisions that need to be made **NOT LATER THAN MARCH 22!** If this form is not returned by Friday, 3/22, we will select an alternate student. Return scanned form as a PDF file to: SF2024@sefmd.org

Our travel information, including flight information is on the web site, under Awards → ISEF Travel Information. All of your expenses are covered by the Science Fair.

Our Board of Directors has stipulated that ALL attendees for the ISEF 2024 must be fully vaccinated.

(1) There is NO option to participate virtually at the ISEF. **All participants must participate in person. You must submit the Covid Rider.**

(2) We will be staying at the Indigo Hotel about 6 blocks from the convention center. Students will be sharing a room (2 per room)

(3) We will conduct periodic COVID tests during the week. Should you test positive, the following will occur:

1) You will immediately be quarantined in your room. If you were sharing a room with another student, you will be moved to a new room. You will remain quarantined until Friday afternoon, May 17. Should medical care be deemed necessary, you will immediately be transported to a hospital.

I agree to the above provisions regarding COVID and certify that the student has been vaccinated against Covid.
