Mozell Lang Joins Science and Engineering Fair of Metropolitan Detroit Board of Directors

Farmington Hills, MI Mozell P. Lang, Science Director, Detroit Public Schools, Curriculum & Instruction, has been appointed to the Board of Directors of the Science and Engineering Fair of Metropolitan Detroit (SEFMD). The appointment was announced by Edward Sellers, SEFMD President.

Mr. Sellers summarizes his reasons for considering Ms. Lang, “We’re very pleased to add someone of the caliber of Mozell Lang to our Board. We have watched Detroit Public Schools participation dwindle in recent years, and hope that Ms. Lang can bring new insight to the Board on this phenomenon. Her selection bolsters our resolve to get more aggressive about Detroit’s role in our Science Fair.”

Mozell Lang will serve with Board members from diverse segments of the Metropolitan Detroit business and educational communities. Some have served for many years. Recently, new members have been brought aboard to maintain the high degree of energy required to manage this largest Science Fair in the nation.

The 54th Science and Engineering Fair of Metropolitan Detroit will be held March 15-19, 2011 at Cobo Center in Detroit. It is open to the public (free of charge) March 17-18 from 9:00 AM to 8:00 PM. Students are encouraged to enter the Science Fair through their schools to earn recognition and key financial awards and scholarships.

About the Science & Engineering Fair of Metropolitan Detroit
