- All fees must be received by Friday, 5 PM. To see if your school is current, go to Schools – credit card payment and look at the balance.
- Self Nomination for various professional awards closes. To date, there have been 142 self nominations. Some organizations still have zero self nominations (LTU Scholarships, NASA, NOAA for example)
- All abstracts must be entered
- All Release Forms must be submitted
- All Email address must be verified
- All necessary SRC forms must be uploaded (Senior division form 1C, Jr div form 2,3,4,6A, etc)
- And if a project is in the virtual contest, the following must all be uploaded
 - o Video link on YouTube
 - o PDF presentation (MAX of 12 pages, MAX of 4 Mb)
 - o Optional photos, quad chart, PDF of lab book

List of all students, with their exhibit location, is on the web site. Search for students based on school

Setup will be on TUESDAY, March 19 from 9 AM to 7 PM. We are located in HALL D on the main floor (not in the lower level like we usually are).

Only SENIOR division students are permitted in the hall on Wednesday, March 20. No Elementary or Junior division students are permitted in the hall. Furthermore, no exhibition project students are permitted in the hall

PUBLIC viewing will be on THURSDAY, March 21 and FRIDAY, March 22. Thermo Fisher Scientific and CODE313 will be onsite with interesting projects for students (including flying drones!)

HELP DESK will be closed this weekend but will open next week, Monday to Friday, 8 AM to 7 PM.
