International Science & Engineering Fair: May 2025

(Columbus, OH)

Scientific Review Committee (SRC) forms due online by Dec. 1, 2024

The 2024-2025 SEFMD will be an In-Person Fair, with online components that must be submitted.

Continuing this year: "Code Club" activity for 6th-8th graders. See the science fair website for details.

of Metro Detroit

Anyone in grades 3-12 (private, public, home schools) in the Lenawee, Livingston, Macomb, Monroe, Oakland, Washtenaw and Wayne counties can enter a project in the SEFMD. Schools must affiliate with SEFMD before a student may enter online.

The time to start the process is now! Registration is done online at www.sefmd.org. SRC pre-approval requires uploading of special forms, available on the website. Please let us know if you would like additional Science Fair postcards to distribute to others or if you need a complete school information packet which includes full size posters, newsletters, facts, and essential information.

Sincerely,

Tim Fino and Kathy Kitzmann SEFMD Fair Co-Directors 248.471.9900 | SF2025@sefmd.org

Now Open to 3rd-12th **Grades!**

On Thursday evenings at 7:30 pm during October and November, special science fair mentoring sessions will be conducted on-line for parents, teachers, and students. See the website for the detailed schedule. Pre-registration required.

SEFMD MISSION Create student excitement for STEM (Science, Technology, Engineering, and Mathematics), inspire interest in scientific subjects and research, develop respect for the scientific method, encourage personal growth, provide recognition for student research, and broaden career opportunities across Metropolitan Detroit and the region.
