SEFMD is excited to include projects from students in the 3rd-5th grades in this year's science fair! Schools must affiliate with SEFMD before any students may enter online. The school affiliation fee is \$50; student processing fees are \$15/project (individual or team).

The rules and categories for 3rd-5th grade students are available on our website at www.sefmd.org. Please let us know if you would like additional Science Fair postcards to distribute to others or if you need a complete school information packet which includes full size posters, a newsletter, and other essential information.

Sincerely,

Tim Fino and Kathy Kitzmann SEFMD Fair Co-Directors 248.471.9900 | SF2025@sefmd.org

On Thursday evenings at 7:30 pm during October and November, special science fair mentoring sessions will be conducted on-line for parents, teachers, and students. See the website for the detailed schedule. Pre-registration required. **SEFMD MISSION** Create student excitement for STEM (Science, Technology, Engineering, and Mathematics), inspire interest in scientific subjects and research, develop respect for the scientific method, encourage personal growth, provide recognition for student research, and broaden career opportunities across Metropolitan Detroit and the region.
